Dear Dunwoody High School Advanced Placement Parent(s), Guardian(s):

The DeKalb Board of Education approved funding to provide a degree of financial support for all students. This funding supports our District's philosophy to increase access to these rigorous academic programs.

The District will fund one exam for all DCSD students enrolled in an AP course during the 2016-2017 school year. The Georgia Department of Education will fund one additional exam for students who qualify for the Free and Reduced Lunch/AP exam fee reduction again this year, for a total of two (2) exams.

AP Exams will cost \$93.00 per test, which includes a small processing fee for online registration. Students who qualify for the Free and Reduced Lunch/AP exam fee reduction will pay \$53 per test if they take more than two tests.

College Board determines the fee to take an AP Exam. AP Exam Dates and Fees for 2017 are published at this link:

<http://apcentral.collegeboard.com/apc/public/exam/calendar/190165.html>.

We are excited to again offer Online Registration, which includes payment options, for the AP Exams this year. Registration will begin on Thursday, February 23rd and ends on Monday, March 20th. The link for the AP Registration Site is <https://user.totalregistration.net/AP/111152>. **Remember, whether your test is free or you need to pay for it, you must sign up in order to reserve a test for you.** If you do not reserve a test, one will not be ordered for you.

Respectfully,

Thomas S. McFerrin
Principal
