Dear Parent(s)/Guardian(s),

The Georgia Board of Education requires all students who are enrolled for credit in any of the courses listed below to take the Georgia End of Course (EOC) upon course completion. The following eight courses in Georgia have EOCs:

- American Literature
- Ninth Grade Literature and Composition
- Biology
- Physical Science
- Economics
- U.S. History
- Coordinate Algebra
- Analytic Geometry

According to The Georgia Board of Education, the End-of-Course serves as the final exam for these courses listed above. The Board established a grade of 70 as the “passing score” for the End-of-Course and for all courses. **For a student to receive credit for an End-of-Course Assessment, the average of the coursework and the EOC score must equal or exceed 70.** (See Georgia SBOE rule 160-4-2-.13.)

We will administer the EOC for the current semester as indicated below.

MAKE-UP DAY**

** The Georgia Department of Education's definition of eligibility for make-up testing is that they are afforded to those with "unavoidable, unplanned absences."

Students missing any portion of an assessment at the end of the testing window will earn an Incomplete for the course and will have to complete the entire assessment in a subsequent testing window.

Please make sure your student is present and completes the EOC Assessments as scheduled.
