Frequently Asked Questions

Will the EOC's take place inside DHS, or virtually?

All EOC Assessments are in person. The Georgia Department of Education has not made provisions for a virtual test environment for the End of Course (EOC) Assessment administrations due to test security protocols.

What is the protocol for students who are uncomfortable/not willing to take the EOC?

Families not comfortable with sending their students into the building for testing have the right to keep their students home. DCSD has always had protocols for students who miss EOC Assessments. Provision will be made for those students to make-up tests at a later date during Spring Semester.

Students will be afforded a make-up opportunity as identified in the [DCSD Assessment Calendar](#) as EOC Mid-Month Assessments.
