Frequently Asked Questions

<p>Will the EOC's take place inside DHS, or virtually?</p>	<p>All EOC Assessments are in person. The Georgia Department of Education has not made provisions for a virtual test environment for the End of Course (EOC) Assessment administrations due to test security protocols.</p>
<p>What is the protocol for students who are uncomfortable/not willing to take the EOC?</p>	<p>Families not comfortable with sending their students into the building for testing have the right to keep their students at home. DCSD has always had protocols for students who miss EOC Assessments. Provision will be made for those students to make-up tests at a later date during Spring Semester as identified in the DCSD Assessment Calendar as EOC Mid-Month Assessments.</p>
<p>Students will be absent from other classes while testing. How is this addressed?</p>	<p>Testing is a school activity; therefore, students will be considered present and their attendance will reflect this.</p>
<p>What is the weight of the EOC?</p>	<p>Superintendent Woods and the State Board of Education (SBOE) recommend that the Georgia Milestones End-of-Course (EOC) percentage weight to be included in a student's final grade be reduced from 20% to .01% for the 2020-2021 school year. No decision has not been made.</p>
<p>For the Algebra EOC, do we know what calculator and graphing tools students will have?</p>	<p>Although there is a calculator imbedded within the EOC Platform, students may bring a handheld calculator to use. Students MUST be familiar enough with the calculator to clear the memory. Teachers are not expected to assist with clearing calculator memories.</p>
<p>How long will I get if I have an accommodation for extended time?</p>	<p>See the chart below for Time and a Half (1.5 Time)</p>
