

## **Dunwoody High School PSAT/NMSQT Test Day Checklist**

There are only a few things you really need to bring on PSAT/NMSQT day and many things you'll be better off leaving at home – or at least in your locker.

### **What to Bring**

- Two No. 2 pencils with erasers
- An approved calculator, see the PSAT/NMSQT Student Guide for a list of approved calculators (DHS is unable to provide calculators.)
- For non-Dunwoody High School students - Valid school/government issued photo ID or a notarized College Board Student ID Form.

### **What NOT to Bring**

- Any devices, including smart-watches, that can be used to record, transmit, receive or play back audio, photographic, text, or video content
- Protractors, compasses, rulers
- Highlighters, colored pens, colored pencils
- Pamphlets or papers of any kind
- Dictionaries or other books — there are no exceptions, even if English is not your first language
- Food and drinks — including bottled water — unless approved by the College Board's Services for Students with Disabilities
- Ms. L. Harris, your school testing administrator can share a complete list of prohibited devices — you may also find it in the Official PSAT/NMSQT Student Guide.

### **During the Test**

These are the only items allowed on your desk in the testing session: a test book, an answer sheet, #2 pencils with erasers, and an approved calculator (only during one of the math sections).

Please leave ALL Electronic Devices and book bags in your locker. We are serious about providing a secure, quiet environment, therefore prohibited devices, which include cellphones, tablets, and MP3 players, smart watches, etc. must not be brought into the testing rooms.

**Important:** You will be dismissed immediately and your scores will be canceled if you use your phone or if it makes a noise — even during breaks. Your phone may also be confiscated and inspected.
