

## DCSD Student Password Protocol

Welcome back for the 2020-2021 school year! As a key component of readiness, it is imperative that we communicate the updated protocol for student passwords. **The new passwords will be in effect on Wednesday, August 12th.** The new protocol will be as follows:

Student Group	Username	Password
Pre-K	Student Number	dekalbpk
Kindergarten	Student Number	dekalbkk
Grades 1-5	Student Number	Same as the student's grade (i.e. 3 <sup>rd</sup> grade = dekalb03)
Grades 7-12 (Previous DCSD Students)	Student Number	Same password created by the student
6 <sup>th</sup> Graders	Student Number	Same as the student's grade (i.e. 6 <sup>th</sup> grade = dekalb06)
All students new to DeKalb for 2020-2021	Student Number	Same as the student's grade (i.e. 3 <sup>rd</sup> grade = dekalb03)

Please continue to remind our families of the Virtual Learning Support for Students website at <https://www.dekalbschoolsga.org/virtual-learning-support/>. It contains a wealth of resources and support information, which includes their ability to change passwords by submitting a help ticket.
