

Microsoft/GECG STEAM Program

Registration is now open for the Microsoft/GECG STEM (Science, Technology, Engineering and Mathematics) & STEAM Program at Global Education Consultants Group in Sandy Springs, GA.

Deadline - Friday, October 10

We are excited about our STEM & STEAM Programs for 11th, 12th grade High School and College Students.

The program dates are Saturday, Oct 25, Nov 1 & 15, 2014 (10 to 2pm)

[Check website for future workshops](#)

Students should have a strong interest in the STEM courses and have a GPA of 3.0 or above.

Grants are available to help with costs of the program for those with economic hardship.
