

2018 Graduation Transportation Permission Form DeKalb County School District

DeKalb County School District (DCSD) will host twenty-three high school graduation ceremonies at the Georgia World Congress Center (GWCC) during the week of May 21 through May 26, 2018. DCSD will conduct four ceremonies per day! With such an immense undertaking and considering the complexities of downtown Atlanta as well as other events schedule at the GWCC, transportation, via coach line buses, to and from the GWCC is being utilized to ensure students and staff arrive to the venue 2 hours prior to the graduation ceremony.

Upon arrival, each school will have a one-time opportunity to practice at the facility. To assist with planning, please complete the transportation permission slip below. Select each option that applies to your senior's transportation needs for graduation day. DCSD would like to thank you for supporting our graduation efforts and congratulate you and your child on this momentous occasion.

High School: _____

Graduation Date: _____ Time of Ceremony: _____

Student's Name: _____
(Please Print)

Please place an "X" by each option that applies

_____ My graduate will ride the coach line from school to the GWCC.
