

To better facilitate the AP testing, some changes have been made to the AP testing schedule. The dates have remained the same, but we have adjusted some of the start and end times. Students need to be at their testing areas by the time listed on the testing schedule shown below. Please remind your students not to bring their cell phones or smartwatches to the testing area. These items need to remain in their lockers or cars. If you have any questions, please contact Ben Braaten at benjamin_braaten@dekalbschoolsga.org

Thanks,
Ben Braaten
