

DHS Red Envelope Campaign

Our Seniors have had many of the cherished traditions of the past this year and school spirit that filled the entire community with joy. We want to invite you to continue the celebration of our Seniors who have worked so hard these past twelve years. Honoring our DHS Seniors through the Red Envelope Campaign has always been a tradition at Dunwoody High School. This year, more than ever, we are committed to encouraging families, staff, business owners, and other key stakeholders to highlight the strength, resilience, and optimism of this year's class.

We would like to invite you to send all the DHS Seniors in your life a special note of congratulations and encouragement through our DHS Red Envelope Campaign. We will carefully gather and sort each letter so that every Senior will be presented with a DHS Red Envelope containing confidential celebratory messages created just for him/her by YOU at graduation rehearsal.

You can participate in any of the following ways:

- Gather all cards/notes sent to you for your Senior and mail them directly to the address below
- Share the address below with friends, family, and others in your child's life from around the world.
- Drop them off at the drop boxes in the Dunwoody High School front office and attendance office.

We will need all notes/cards by **Wednesday, April 20th**. We have rented a mailbox in Dunwoody.
