

Important Information for PARENTS AND STUDENTS:

**THE SYSTEM FOR STUDENT PARKING
FOR THE 2022-2023 SCHOOL YEAR.**

Due to the limited number of student parking spaces, **only 123 student parking permits will be issued to seniors only.** Therefore, NOT all seniors who apply will be guaranteed a parking permit.

The **2022-2023 Student Parking Lottery Application** for the Class of 2023 will be available on registration day at Dunwoody High School. Completed applications will be accepted **until 3:30 pm on Thursday, August 4th.**

ONLY students in the senior class who have a legal/valid driver's license, appropriate insurance, a 2022 Fall schedule that shows 12th grade, and no severe disciplinary issues (no more than 5 suspension [ISS/OSS] days OR no more than 6 unexcused absences/tardies in 2021-22) will be eligible to enter the parking lottery.

Permits will be issued based on a lottery drawing of all eligible applications. No requests for parking permits will be granted once the permits have been issued through the lottery drawing. **An additional 25 student names will be drawn and put on a waiting list.** *This means that if a student who obtains a parking space on campus loses his/her privileges due to discipline or attendance infractions, that student's parking space would be made available for the next student on the waiting list.*

Parking spaces at St. Luke's Presbyterian Church (at the corner of Mt. Vernon and Vermack) will be sold to seniors on a first come basis until end of day August 8th. Parking spaces at St. Luke's will be available for sale to juniors on August 9th.

On or before August 4th, seniors should go through the DHS registration process and upload a parking application, (12th grade must be on the schedule). **Seniors not in attendance at registration may upload the application using their S# email address with all the necessary forms completed: two page application AND a photo copy of the senior's driver's license must be submitted by the deadline of 3:30 pm, on August 4th.**

The lottery will be held end of day and names posted to Senior Remind and the DHS Webstore. DO NOT PURCHASE A HANG TAG IF YOUR NAME IS NOT ON THE LIST

Eligible students (lottery winners) will receive a parking pass after paying the **\$45 fee.** *Upon receiving your permit, please always remember to display it on the rearview mirror in your car and park only in YOUR assigned student parking space on school property. Students can only park in designated spaces in the gym parking lot. Only vehicles with proper DHS parking tags can park on school property. The designated student parking lot is the Gym Lot near the baseball field and the gym doors. Only students with a current DHS-issued parking permit are allowed to park on school property and must park in the parking space that corresponds to the number on the parking permit.*

Failure to obey the parking regulations listed below or falsifying any information WILL result in the loss of parking privileges, ticketing by the DeKalb Schools

Police Department, and/or additional disciplinary actions, as described in the DeKalb School District Discipline Code:

- Parking in unauthorized areas on school property, such as district personnel designated spaces (restricted numbered spaces, the spaces in front of the school, and the auditorium parking lot), faculty/staff designated parking lots, spots designated for the handicapped, yellow/red marked curbs, reserved spots or visitor spots,
- Parking on school property without an approved DHS parking permit designated for the current school year.
- Parking on school property with an UNREGISTERED OR UNINSURED vehicle.
- The loss of parking privileges will occur after a student's 6th **un**excused tardy/absence to school or 5th suspension day (ISS/OSS).
