2019-2020 Atlanta Region  
POSITIVE HIGH SCHOOL ATHLETE WINNER

Albert Rice - Boys Golf  
Dunwoody High School

In recognition of this athlete who has been nominated as one of the  
"Most Positive High School Athletes" in Atlanta.  
This athlete is a role model in their school and embodies the

*"Seven Definitions of a Positive Athlete"*

Optimistic Attitude Heart For Others	Encouraging Teammate Admits Imperfections Puts Team First	Servant Leader Always Gives 100%
---	---	-------------------------------------

  
 Scott Pederson - President & CEO  
 Positive Athlete

  
 Hines Ward - Lead Athlete  
 Positive Athlete

To Whom it May Concern:

On behalf of Positive Athlete, I wanted to take the time to write this letter of recommendation on behalf of Albert Rice, one of the high school student-athletes we selected as the "Most Positive Athlete in their Sport" in the Atlanta Region here in Georgia in 2020. We receive over 5,000 nominations each year in Georgia alone for Positive Athlete, and the fact that we have selected this student-athlete as a Regional Winner of one of our awards is very significant. Only about seven percent of nominees are recognized in any way by our organization as a regional award winner. What this says is this is a young person worth investing your time in, and that they are someone you can have a great deal of confidence will be an asset to your organization.

This individual has been vetted by not only our organization, but by their school and organizations they have served in order to receive this honor. The best way I can describe them is that they are a high-character, teamwork-oriented leader, who has experienced winning and losing, and has shown a heart for their school and community.

We are so proud to call them a Positive Athlete and part of the Positive Athlete family.

Sincerely,

**SCOTT PEDERSON**  
PRESIDENT / CEO
