

Accessing Student Pairing Code from Canvas Student Account

Access Canvas Student via Launchpad/Clever

1. Go to **students.dekalbschoolsga.org**.
2. Click on the **Canvas Student** icon.
3. From the global navigation tab of Canvas, select **Account**.
4. Click **Settings**.

5. Select **Pair with Observer** on the settings page.

6. Share the pairing code with your parent to allow them to connect to the student account in Canvas. **Please note that the code must be used in seven days or after one use. Students can have up to five pairing codes per account.**
