9

You are now in your Parent Canvas account on a web browser! This is where you can access your child's courses and communicate with teachers. Click next to learn how to connect your account to the Canvas Parent App.

10

Download the Canvas Parent App on your phone. Next, select QR login. Then, click on "I have a Canvas Account" and follow the remaining steps listed on your phone. Once completed, you will be paired to your child's Canvas Account. Congratulations!
