Parents and Guardians,

A DeKalb County School District Cross Divisional Coronavirus Taskforce has been developed to continually review current guidance from local, state and federal agencies and proactively identify a strategic response plan for the school district. The taskforce will meet weekly to ensure that we are following best practices in pandemic planning.

Schools have been reminded of appropriate hygiene strategies to keep germs from spreading. We are also monitoring daily student and staff absences and ensuring that appropriate cleaning strategies are being used in all schools and centers.

Please visit the weblink below for the most up to date information from Centers for Disease Control. <https://www.cdc.gov/coronavirus/2019-ncov/community/>. Additional information can also be found on the DeKalb County School District website <https://www.dekalbschoolsga.org/>.

Keeping our students and staff safe remains our top priority.

Sincerely,

Mrs. Ramona Tyson
Interim Superintendent
