

# Explosion of Pickleball

## Potential Discussion and Written Response Questions:

1. Have you ever played a sport with your friends? How was it similar or different to playing pickleball?
2. Have you ever tried playing pickleball? If not, would you be interested in giving it a try? Why or why not?
3. Reflect on a time when you discovered a new hobby or activity that became popular. How did it impact your life?
4. Consider the challenges mentioned in the text, such as competition for recreational space and noise complaints. Have you ever experienced similar challenges in a different context? How did you handle them?
5. Think about a sport or leisure activity that you enjoy. How does it compare to pickleball in terms of accessibility and social aspects?
