

Showing School Spirit in High School

Question #1	The text discusses how school spirit can create a sense of belonging and pride. Think about your own experiences at school. How have you felt a sense of belonging or pride in your school? What activities or events have contributed to this feeling?
--------------------	---

<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>	
---	--

Question #2	The text mentions that school spirit can be fostered through community service projects. Have you ever participated in a community service project? How did it make you feel? Did it contribute to a sense of unity or purpose in your school or community?
--------------------	---

<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>	
---	--

Question #3	The text argues that school spirit is more than just cheering at games or wearing school colors. What do you think is the most important aspect of school spirit? How can students create a positive and supportive environment where everyone feels like they belong?
--------------------	--
