

Showing School Spirit in High School

School spirit is important. It makes everyone feel like they belong to something bigger than themselves . It can make students feel proud of their school . When students feel proud of their school, they might work harder in class .

School spirit can be shown in many ways. Some students show school spirit by cheering at sporting events . Some students show school spirit by being in the band or cheerleading squad . Some students show school spirit by dressing up for spirit days .

School spirit can be fun. Students can dress up as their favorite teachers or as ingredients for a meal . They can even dress up as their favorite Vine videos .

School spirit can also be helpful. Students can volunteer in their community to help others . They can also donate books to students who don't have access to libraries .

School spirit is a great way to make school more fun and engaging. It can help students feel connected to their school and to each other . It can also help students learn and grow .
