Dear Parent (s)/Guardian(s),

The Georgia Department of Education requires all students who are enrolled for credit in any of the courses listed below to take the Georgia End of Course (EOC) upon course completion. The following four courses in Georgia have EOCs:

- Biology U.S. History American Literature Coordinate Algebra /Algebra 1

According to The Georgia Board of Education, the End-of-Course serves **as the final exam** for these courses listed above. The Board established a grade of 70 as the “passing score” for the End-of-Course Test and for all courses. **Additionally, for the 2021-2022 school year, the End-of-Course Assessment will weigh 20% of a student’s final grade.**

**For a student to receive credit for an End-of-Course, the average of the coursework and the EOC score must equal or exceed 70.** (See Georgia SBOE rule 160-4-2-.13.)

**Below is the Spring 2022 EOC test schedule:**
